

ĀMAN
NEW DELHI

Long since a gateway to India, Delhi is a destination in its own right with a host of modern attractions to complement the historic. Just steps from Delhi's bustling streets, Aman New Delhi provides an essential respite in spacious surrounds, offering guests the ideal base from which to explore the city's many diverse charms.

Rough and smooth Gangapur stone, intricate *jaali* screens and an elegance of space imbue Aman New Delhi with a sense of sophisticated calm. On arrival guests are welcomed into a serene Aman world, simultaneously apart from, yet also an intrinsic part of, the vibrant capital it inhabits.

The subtly lit arrival lounge and reception area set the tone for the rest of the resort in terms of décor and ambience. Lofty ceilings and a neutral palette emphasize the abundance of space while cool glass and stone contrast with the warmth of rich fabrics and wood to create a harmonious sense of restrained luxury.

OUR RESTAURANTS

The Lodhi with its Catalan-inspired cuisine is housed in a three-storey structure with floor-to-ceiling windows. The entrance level overlooks a tranquil reflecting pool cascading to a lower level, while the upper floor boasts a silver-leaf ceiling, mirror finishes, leather floors and *jaali* screens.

The Lodhi steps lead down to Tapas. This casual venue with its central service area offers a wide selection of tapas and a lively ambience. There is also a semi-private dining room, ideal for intimate gatherings.

The Aman serves Indian and Thai specialties for breakfast, lunch and dinner. The Aman Lounge features a selection of local and European 'comfort' dishes served throughout the day, as well as an indulgent afternoon tea. The Naoki counter (*below*) is an integral part of the Aman, offering *kaiseki* fare which combines the best of French techniques with a Japanese culinary artistry.

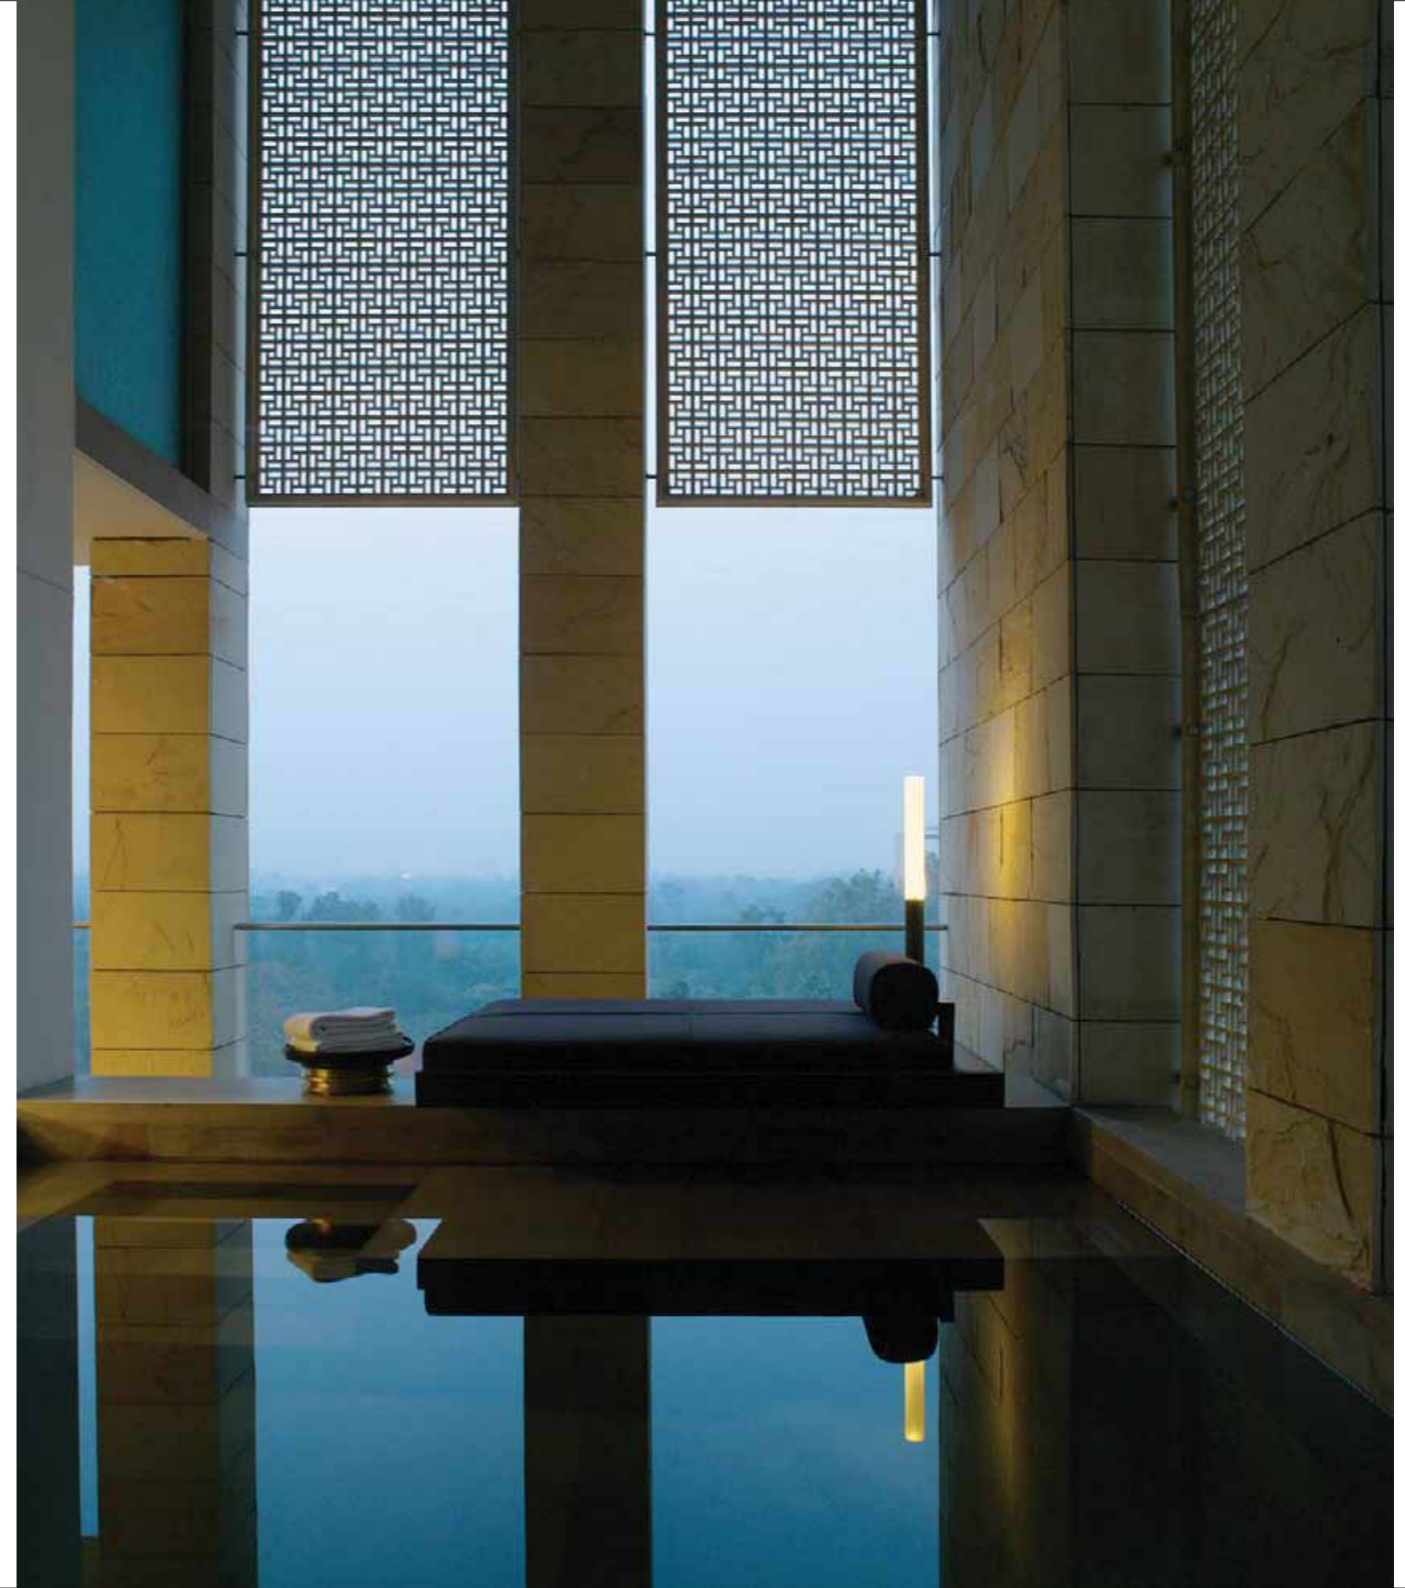

OUR SUITES

Unique in a multi-storey resort, all of the Aman Rooms and Suites feature private plunge pools. All 31 Aman Rooms and eight Aman Suites are housed in a dramatic nine-storey structure, offering exceptional views over the city and terraces dappled with sunlight streaming through decorative *jali* screens.

Designed to provide privacy and escape, all Rooms and Suites are inspired by the North Indian aesthetic with olive-hued *khareda* stone underfoot, handmade rugs in muted earthy tones and dark wooden panels accentuated by discreet lighting.

In addition, a five-storey building overlooking a manicured courtyard houses 28 one-, two- and three-bedroom Lodhi Suites (*not pictured*), half of which also feature private pools.

Lodhi Suites are of varying sizes and configurations, each complete with sitting/dining areas, writing desks, separate dressing areas, inviting bathrooms and a galley kitchen.

OUR SPA

The Aman Spa features eight private treatment rooms, two traditional *Hammam* steam baths and relaxation lounges. The extensive spa menu offers pampering spa rituals for men and women.

Set in a sunken courtyard is a 50-metre swimming pool and the Pool Bar where light meals are served throughout the day. Other sports facilities include tennis and squash courts, as well as a fully-equipped Gymnasium staffed with professional trainers.

OUR FACILITIES

The Cigar Lounge is a masculine haven of leather arm chairs, the world's finest spirits and, of course, an extensive selection of premium cigars. The Library is another venue for quiet contemplation.

Services at the kimrobinson Hair Salon include innovative and unique hair styling concepts and spa treatments.
